COMPANY DETAILS

INTERNSHALA-INTERNSHIP: 14

We are a technology company on a mission to equip students with relevant skills & practical exposure through internships and online trainings. Imagine a world full of freedom and possibilities. A world where you can discover your passion and turn it into your career. A world where your practical skills matter more than your university degree. A world where you do not have to wait till 21 to taste your first work experience (and get a rude shock that it is nothing like you had imagine it to be). A world where you graduate fully assured, fully confident, and fully prepared to stake claim on your place in the world.

Finding and applying for internships and fresher jobs that you want is now even easier with Internshala's free app for students and freshers. Browse through opportunities offered by 150,000+ companies in various profiles and locations all across India and apply easily to the ones that excite you the most.

At Internshala, we are making this dream a reality!

Selected intern's day-to-day responsibilities include:

1. Promote Internshala internships among your peers and assist them with internship-related queries
2. Inform peers about the latest training offers and help them learn new skills via Internshala Trainings
3. Conduct seminars in college to train peers for getting an internship
4. Represent Internshala in your college fest
