

BITT Group of Institutions Celebrating it's 27 Glorious years

BITT POLYTECHNIC

(Approved by AICTE, New Delhi & Affiliated to Jharkhand University of Technology, Ranchi)

RUN AND MANAGED BY BIRSA INSTITUTE OF TECHNOLOGY (TRUST) - BITT

मानवता की सेवा, सभी के लिए सर्वश्रेष्ठ शिक्षा

UNIT OF BITT

हमारे सभी विद्यार्थियों एवं सहयोगियों को
हमारी 27 वर्षों की गौरवशाली यात्रा का हिस्सा
बनने के लिए धन्यवाद.

आपका विश्वास ही हमारी निरंतर सफलता की प्रेरणा है।

सर्वश्रेष्ठ पॉलीटेक्निक संस्थान, सर्वोत्तम पढ़ाओ, सर्वोत्तम बनाओ।

DEPARTMENT OF TRAINING, PLACEMENT, CONSULTING,
INNOVATION & RESEARCH (DTPCIR)

BITT-G/NOTICE/2022-23/ 10384

Dated: 13/06/2022

NOTICE

All the students of 6th semester diploma on EE, ECE & ME of sessions: 2019-22, 2018-21, 2017-20, 2016-19, 2015-18, 2014-17, 2013-16 are hereby informed that **“KIRLOSKAR FERROUS INDUSTRIES LIMITED (KFIL)”** is shortly going to do online/ offline /recruitment/ Apprenticeship/ placement program

kirloskar

KIRLOSKAR FERROUS INDUSTRIES LIMITED (KFIL)

Founded in 1991, Kirloskar Ferrous Industries Limited (KFIL) was formed with the intention of transforming the high quality Pig Iron and Grey Iron casting industry. With a parent company that possesses a rich 130-year manufacturing and engineering legacy, KFIL has been built on a solid foundation of innovation and customer-centricity.

Our cylinder block, head castings and housing are used in a wide range of engines, across construction machines, farm equipment and utility vehicles made by some of the world's largest automobile

manufacturers. Our pig iron is used to make a variety of cast iron that finds critical use in a wide range of industries.

Our innovations in the foundry space have made us leaders in the category. The fires in our forges is where our products are created with the utmost precision and quality. But it's also where our unbending values and vision are formed. We have modern 3D Core Printing facility. KFIL produces prototype castings of different varieties using 3D printed cores/molds and pouring in the regular HPML.

Our facility at Koppal is located close to the iron ore deposits of the Hospet-Sandur-Bellary belt, which allows us to backward integrate to the Blast Furnace to our Foundry. Similarly, the Solapur plant has a casting manufacturing facility with forward integration to a semi-finish machining facility. Both plants have highly productive equipment and skilled manpower along with tactical supply-chain-logistics. Our facilities can produce a range of products that includes Grey Iron castings from 30 kg to 300 kg single piece weight and Pig Iron of Foundry grade, SG grade and Basic Grade. Preserving the planet for the future is always on top of our minds. Towards that end, we effectively utilize the waste gas from the Mini Blast Furnace by powering three Power plants aggregating to 11.5 MW.

In 2014, we commissioned a new foundry with High-Pressure Mould Line, Robotic Core Centre and advanced processing capabilities, as well as an in-house casting fettling and finishing shop with advanced and highly productive equipment.

PIG IRON PLANT

Our Pig Iron plant operates from two strategically located Business units at Koppal and Hiriyur and has a combined annual liquid metal production of 0.55 Million tons. To enhance productivity, the Blast furnaces are equipped with Hot Blast Stoves to preheat the gases to a higher temperature.

The Coke oven, with a six link arch design, facilitates effective waste heat recovery and has high transmission efficiency with an annual capacity of 0.2 Million tons of Coke. With state of the art technology, the boilers are placed in between the Oven batteries to enhance waste gas heat recovery, which generates 19~20 MWs of Power consistently. The manufacturing facilities are in tandem with the state of the art technology to cater to the quality needs of the customers.

JOB DETAIL:

Job Role: Diploma Engineer Trainee (DET).

Educational Qualification: Diploma of EE, ECE & ME branches.

Diploma passing year: sessions: 2019-22, 2018-21, 2017-20, 2016-19, 2015-18, 2014-17, 2013-16.

Salary: will be intimated soon.

Vacancy: 140

Location: Koppal/ Hiriyur/ Solapur

Last date of online registration is 17/06/2022.

RECRUITMENT PROCESS:

Online/ offline / Apprentices/recruitment/ placement program

Telephonic / Video /Online

DOCUMENTS REQUIRED (In Joining):

1. PAN Card
2. AADHAR Card
3. 10th /12thMark sheet
4. Board Certificate
5. Diploma Semester wise Mark sheet and Certificate.

NOTE:

- a. The interested students should fill their details at available Link: <https://docs.google.com/forms/d/1bID6L7i5icZ2RPcCsVfYm11jImRCNXIU1OTWhxvJEKU/edit> on or before 17/06/2022 up to 08:00 PM, for attending the online placement program.
- b. The above notice has been shared from the authentic source like advertisements/print media/newspaper/ journals/recruiters/ public/ private sectors. The aim of the institute is to make an advanced level awareness of the vacancies in public as well as private sectors for recruitments/ placements of diploma students as per company's recruitment policies.
