Getlatu, Ranchi- 835217

BITT-G/Notice/2022-23/10498

Date: 03-09-22

NOTICE

Regarding Student Activity Approval Form

Students undergoing Polytechnic Education are multi-talented with social commitment and a keen interest in environmental sustainability. To cultivate such multiple talents, provide opportunities to develop such positive attitudes and abilities, and provide appropriate recognition of their talents and achievements, BITT Polytechnic has decided to introduce a central platform through which students can organize an activity with prior information and approval from undersigned through a faculty advisor. The student activity approval form can be downloaded from the institute's official website under the extra-curricular activity section. The student coordinator will ensure everything is organized correctly and that nothing unexpected happens during the events.
