NOTICE

Attention: Diploma 2nd semester Students

All the students of the Diploma 2nd semester are informed that they are required to attend their respective lectures, tutorials, and practicals to fulfill the required attendance as per Jharkhand University of Technology rules, i.e., 75% attendance in each semester. For students' overall development, some activities like personality development, group discussions, debates, mock interviews, etc., have been included in this semester, for which 100% attendance is required.

According to JUT, Ranchi's teaching plan, classes are already in progress, but some students have not yet registered for the 2nd semester. It has been mentioned in the previous notices that the re-registration process is mandatory for attending the classes. Students are again advised to meet their respective HODs for re-registration or any kind of difficulty for which they cannot do the same. The meeting time for HODs has been extended to 22-07-2022 so that students can attend their classes and prepare themselves for the upcoming mid sem examination scheduled in the 2nd week of August-2022.

A list of the students who have not yet re-registered is included with this notice.
